DONYATT DESPATCH SPONSORSHIP

We are still looking for sponsors for a few of the 2026 editions of Donyatt Despatch. If you have a business in or around Donyatt, why not let us all know by sponsoring our local village newsletter for just £20?! Contact the editors using the details overleaf.

DONYATT DESPATCH GATHERING

All friends, sponsors, supporters and readers of Donyatt Despatch are warmly invited to join us for a drink and a prize draw on Thursday 5th March at 7pm at The George Inn, Donyatt. A £5 contribution towards the printing costs would also be gratefully received. Hope to see you there.

A Few Words From Our Vicar

None of us are immune to the conditions in which we live, the state of the world and the miserable run of weather of late but there is hope.

It comes in the name of the resurrected Christ at Easter. It is no coincidence that the darkness is overcome at that moment and we start to feel better about ourselves, the sun will shine upon us once more. I hope to see some of you at our Lent and Easter church services. May the sun shine warmly upon your faces and the Lord hold you in the palm of his hand.

Volunteer job recruitment for secretary and treasurer:

Although we have had a person come forward for the secretaries position we are still hoping to have someone volunteer to be our PCC treasurer. As stated in last month's magazine and Donyatt Despatch this could be covered in approximately 2 hours per month using spreadsheets already set up. Should you want to volunteer or know more please contact Rev'd Philip - 01823 480273, Trisha Hands - 01460 249734 or David and Jacky Forbes - 07976281000. We are hoping and praying that these positions could be covered by our annual meeting in May. Many thanks.

Day After Daylight Savings

By Margaret Hasse

Blue numbers on my bedside clock
tell I forgot to change the hour.
This sets routines on haywire.

Like a domestic goat staked
to its circle of earth,
I don't do well untethered.

I have no hunger for early dinner,
become confused by the sound
of children who seem out

too late for a school night.
They've found an extra helping
of daylight to romp on new grass

and can't contain themselves,
strip off jackets, scatter
like a rag of ponies.

Whatever time says,
their joy insists
on springing forward.

Spring Forward
DAYLIGHT SAVING TIME

The clocks will spring forward on Sunday 29th March 2026. Lighter nights are coming... and hopefully drier ones too!
