Contact the editors using the details overleaf to find out more or book your slot now!

Speed Indicator Devices Update

The latest set of results from Donyatt's two Speed Indicator Devices (SIDs) has just been released.

These show a 95.6% compliance with the speed limit coming into Donyatt from the North (from Ilminster) and an 88% compliance with the speed limit coming in from the South (from Chard).

These figures are very encouraging, despite doubts within certain elements of the community as to whether this would make any difference, these results show they really do work in keeping speeds down!"

DONYATT SKITTLES LEAGUE

Did you know that Donyatt has its own skittles league?

It comprises eight teams of residents and friends of our village community. The exciting news is that it's back this month for the new season! Matches are played at Ilminster Bowls and Tennis Club, with some matches at The Haymaker . . . and a few other local pubs too. If you are interested in joining one of the teams, please contact John on 01460 52129 for more details.
